

MINNESOTA POLICY

MICAH's 2023-24 Legislative Priorities Include:

1. Ensure the voice and power of people who have experienced homelessness and or housing crises are at every decision make table, design, implementation, evaluation of homeless programs and housing.
2. Work with families impacted by Lead Poisoning on Lead Safe Homes program implementation, to protect our children from lead paint poisoning.
3. Racial Equity and protection of Civil Rights in all Homeless and Housing Programs and support systems.
4. Preserve and create safe, decent accessible affordable housing (rental, shared, & homeownership) for people with incomes under 30% median income.
5. Support livable incomes for people who are employed, unemployed and on public assistance. Universal Basic Income, Child Tax Credits, Renter's Credit, Rental Assistance.
6. Ensure we are a welcoming community in creating housing opportunities that provide second chances and mercy for those who have struggled with addiction, mental and/or physical health, criminal, and/or rental issues.
7. MICAH will be actively involved with Homes For All process in developing and passing the 2024 Session priorities.
